PATIENT FINANCIAL POLICY AND CONSENT FORM

Patient Financial Policy

We are dedicated to providing the best possible care and service to our patients. To avoid confusion and misunderstanding between our patients and practice, we have adopted the following financial policies. If you have any questions regarding these policies, please discuss them with our office manager.

Fees and Payments

We share your concerns about rising health care costs. Our fees represent usual and customary charges based on community standards. Patients are expected to pay for professional services at the time of the visit. Our policy is to collect the co-payment when you arrive for your appointment. All forms of payment are accepted including cash, personal checks, debit cards and credit cards including MasterCard, Visa, American Express, and Discover. If you have any questions about our fees, please feel free to discuss with us.

Insurance

We have a contract with many health plans to accept an assignment of benefits. We will bill these plans and will require the patient to pay authorized co-payments, coinsurance, and deductibles at the time the services are rendered. The responsibility for payment of medical care costs is the direct responsibility of the patient. The remaining balance is due within one month of notice from the insurer. The patient is responsible for obtaining authorization from his or her primary care physician. The patient is responsible for understanding the authorization process and the payment process of his or her insurance company.

Physician Authorization and Assignment of Benefits

I hereby authorize Northwest Houston Heart Center to release any medical information and diagnosis requested by my insurance company and my treating physicians. I understand that this information will include, where applicable, all the work up, testing, diagnosis and treatment. Treatment plans also including all blood work and specific laboratory test results including HIV testing for the diagnosis of acquired immune deficiency syndrome. I further authorize payment directly to the assigned physician for the surgical and or medical payables under my plan for services provide to me.

Authorization to Release Medical Records

I am writing to authorize Northwest Houston Heart Center to obtain my medical records on my behalf. Please send my medical records by fax at 281-351-4915 or by mail at the following address: 308 Holderrieth Blvd Tomball, TX 77375-4536

Advance Beneficiary Notice of Noncoverage (ABN)

You are receiving this notice because your insurance company may not pay for all the services that you receive during your visits to our office. You need to read this notice so that you can make an informed decision about your care. If your insurance carrier denies payment, then you are completely responsible for payment in full to the services rendered to you at this facility., You understand that you can appeal this decision for nonpayment to your insurance carrier. By this notice, you agree to take financial responsibility for the cost of the supplies and services rendered to you at your visit to our facility, if your insurance company denies coverage for the same. If you do not want any service not covered by your insurance company, please inform us in writing at the time of check in.
